

News Alert

SINGAPORE: MONDAY, OCTOBER 3, 2005

IPACS appoints PT Perkom Indah Murni, a leading Indonesian System Integrator that provides IT solutions and services to Indonesian conglomerates, as our Partner.

Established since 1983, Perkom is an IBM Authorised Dealer as well as sole distributor of Japan's Oki Printers with many established customers in Indonesia. A few years back, Perkom has started to provide ERP solutions and software services to Manufacturers.

As such, IPACS sees strong synergy with having a strong system integrator providing a total solution of Hardware, Software and Services to key customers in Indonesia and hence is pleased to have appointed PT Perkom Indah Murni to be our valued Indonesian Partner for marketing our logistics suite of solution in Indonesia.
